

Dear Alexandra,

**1 Figure from: Shea, C., & Jamieson, B. (n.d.). Star: An efficient snow point-sampling method. *Annals of Glaciology*, 51(54), 64-72**

Thank you for your request to reproduce the above material in your forthcoming PhD thesis, for non-commercial publication. Cambridge University Press are pleased to grant non-exclusive permission, free of charge, for this specific one time use, on the understanding you have checked that we do not acknowledge any other source for the material. This permission does not include the use of copyright material owned by any party other than the authors. Consent to use any such material must be sought by you from the copyright owner concerned.

Please ensure full acknowledgement appears in your work.

Should you wish to publish your work commercially in the future, please reapply to the appropriate Cambridge University Press office, depending on where your forthcoming work will be published. Further information can be found on our website at the following link:
